Discover a smarter and more efficient way to ship your parcels with Danske Fragtmænd and Homerunner. We are your reliable partner both domestically and internationally.

Take your parcel deliveries to new heights

Through an exciting new partnership with Homerunner, Danske Fragtmænd can now offer parcel distribution to both private and business customers, domestically and internationally, at the highest standards in the market. By combining our nationwide transport network with Homerunner's innovative IT solutions and their competitive agreements with parcel distributors, we can deliver the best solution for your business.

Benefits of partnering with Homerunner:

- Extensive network: With 40+ agreements with carriers across Denmark, Europe, and the rest of the world, we ensure your parcels arrive on time.
- Freedom of choice: Select from a wide range of final carriers for maximum flexibility.
- One-stop shopping: We handle all your shipments, both domestic and international, in a simple and efficient way.
- Same-day pickup: Book before 12:00, and we'll pick up your parcel the same day.
- Fast delivery: Efficient delivery to private addresses and parcel lockers ensures your customers receive their goods quickly.
- User-friendly platform: A free and intuitive booking platform makes it easy to manage your shipments.
- Proactive updates: Stay informed about any delivery deviations, so you are always up to date.

Innovative IT solutions
Homerunner's platform gives you access to intelligent software that brings booking, track & trace, return portal, and much more together in one place. This makes it easy to optimize your logistics and expand into new markets with reliable and efficient service.

Attractive freight agreements
Get the industry's best international shipping rates with Homerunner's attractive freight agreements. Together with Danske Fragtmænd's extensive transport network, we ensure you receive the most cost-effective solution for your logistics needs.

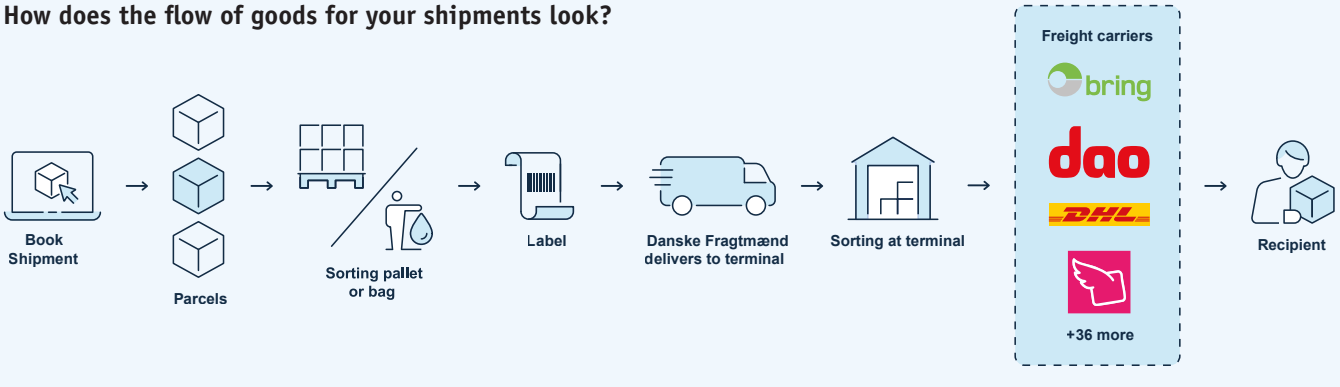
How does the flow of goods for your shipments look?



CARRIER LIST

This list can help you get an overview of the carriers Homerunner works with. It shows the services they offer and the maximum package size. The first column shows the primary carrier, which is the one the customer selects in Homerunner's portal. Column four shows the final-mile carrier, which is most chosen in the specific country.
